Michael Jordan Basketball Quote

"There are plenty of teams in every sport that have great players and never win titles. Most of the time, those players aren't willing to sacrifice for the greater good of the team. The funny thing is, in the end, their unwillingness to sacrifice only makes individual goals more difficult to achieve. One thing I believe to the fullest is that if you think and achieve as a team, the individual accolades will take care of themselves. Talent wins games, but teamwork and intelligence win championships."
